Dear Governor Lee and person in charge of water permits,

Regarding docket number COE2020-0002 and/or RIN 0710-AA84

Please do not let an oil pipeline run through any part of Memphis, TN metro area, including Boxtown, which is a neighborhood in memphis. A neighborhood filled with REAL LIVE PEOPLE. Do you not realize we all need clean water to drink, cook with and bathe in? Have you not learned from the history of disasters around the globe over the years? Here's a list:

Too many lives lost, millions of dollars in damages and damage and detriment To clean water that wildlife and citizens of the world need to sustain life. Not to mention the fact that we need to get away from fossil fuels because they are killing us and killing the earth! We only have THIS EARTH! There is no Earth 2.0! Does this not mean anything to you? YOU CANNOT DRINK MONEY! Please DO NOT let the pipeline come through Memphis, TN! Please DO NOT let the pipeline cross any precious streams or rivers! Please preserve the the life and sustenance for humans and wildlife!

“When the last tree has been cut down, the last fish caught, the last river poisoned, only then will we realize that one cannot eat money.” abridged Native American advice as told to the Canadian Government

I have contacted Erin Brokovich as well.

Thank you for your time,
